Dear Fair Haven Family and Friends:

Did you know that while we are undergoing amazing transformations here in Birmingham, we have also been completing a similar project to transform a sister community in Dothan? On April 27 at 11:30 am, we are hosting a Ribbon-Cutting and Dedication Celebration at Wesley Place on Honeysuckle to mark the beginning of a new era for our Dothan residents! They, too, are now enjoying new households and neighborhoods in the look and feel of home. The decorating style at Wesley Place on Honeysuckle is very fitting to tastes in the Wiregrass Area, as Fair Haven's styles are very fitting for our Greater Birmingham area tastes. So this month, we share with you our joy in the completion of construction in Dothan, and the dreams that have now been realized for the benefit of those who live with us, and those who will call Wesley Place on Honeysuckle their home in the future. Our residents are why we do what we do.
