

December 20, 2016

Dear Fair Haven Family and Friends:

What a glorious year it has been for Fair Haven! We have all seen so much progress made on campus construction-wise, as our excitement continues to grow. And despite the inconveniences we have all experienced, the environments which are being created are such a breathtaking and welcome departure from the institutional culture of senior care we have known for decades! We are so blessed and give thanks, particularly at this time of year.

In just over one month's time, Fair Haven will open 8 new households in the assisted living and skilled nursing levels of care in a transition as profound in operation as it is in scale and size. My numerous previous writings to you have outlined many of the concepts associated with "households" in senior living, and I am overwhelmed with joy that Fair Haven residents will soon call these environments "home"! I request that you please continue to pray for guidance, wisdom and strength as we march forward in our renovations and construction. Although the completion date of phase 1 is now fully in focus, much remains to accomplish. Thank you to each of you for your patience in this wonderful process.

December Spotlight... **Construction Progress**

New Assisted Living Household Building

New 2 1/2-Story Rehab Household Building

New 3-Story Long-Term Care Household Building

I look forward to sharing with you again next month as our journey continues. Thank you for your continued support of Fair Haven.

Very truly yours,

Christopher W. Tomlin
President & CEO
Methodist Homes of Alabama & Northwest Florida
