

Wesley Manor: Redefining Home

Reframing, Renewing & Renovating Together

February 19, 2016

Dear Friends,

I hope you were able to be with us for our Groundbreaking Celebration held last week, but in case you were unable to make it, I wanted to let you see a couple of pictures from the wonderful day of celebration. Several Dothan District leaders and other local dignitaries were on hand for the ceremony along with more than 150 people who crowded the front lawn of the property on the unseasonably bright and sunny day.

Participants in the event included Rev. Sara Shaver, Dothan District Superintendent; Dr. Jerry Dooling, former Dothan District Superintendent who is serving Sylvan Grove UMC; Dr. Jim Sanders, Senior Minister of Dothan First UMC; Dothan Mayor Mike Schmitz; Houston County Commission Chairman Mark Culver; Eddie Biss, Chaplain, Gentiva Hospice; Christopher Tomlin, President & CEO of Methodist Homes; Bob McKee, Chairman of the Board of Trustees; John Matson of the Alabama Nursing Home Association; and Jeff Kirby. Each speaker donned a hardhat and participated in the ceremonial act of groundbreaking. Honorary groundbreaking also included William Tynes, Vice President of Golden Construction; and Martin Dickman, CFO, Action Pact LLC.

I am enclosing a copy of the press release that was sent to the media in advance of the groundbreaking event. The release generated some wonderful press attention for Wesley Manor, and I thank all of you that came out to enjoy this historic event. Next month I look forward to sharing with you specific details about the physical changes coming to Wesley Manor.

Very truly yours,

Christopher W. Tomlin
